📍 102, Swavalambi Nagar, Nagpur. 440022

I am an aspiring UI-UX designer who always strives to achieve subtlety. I have a total of 3 years of experience, ranging from graphic design, wireframing, prototyping, visual design, and 3D implementations in UI.

My primary focus throughout, has been to create -

- **Simple but creative designs**
- **Adaptable design systems**
- **Responsive, multi-screen UI design**
